

Small Business Administration National Small Business Week Event at Microsoft – Free!

Monday, June 17, 2013 from 7:30 AM to 3:15 PM

Please join us for the [Seattle National Small Business Week](#) event on June 17th.

SBA and experts from the Seattle business community will discuss and share resources on how to start or grow a business. This is the first time National Small Business Week is traveling coast-to-coast with the kickoff in the Seattle area.

Morning panel topics include growing and going global with supply chains, discussion on the Seattle area entrepreneurial ecosystem and an armchair interview with SBA Administrator Karen Mills and special guest speakers.

The afternoon breakout session topics include government contracting opportunities for women-owned small businesses, speed mentoring with SBA resource partners, resources for tribal businesses, social media 101, protecting your business against cyber security threats and breaking into a supply chain.

Continental breakfast and lunch will be provided courtesy of Microsoft.

Where: Microsoft Campus- Building 37 | 16071 NE 36 Way | Redmond, WA 98052

Registration: This event is free, but registration is required.

Identity Theft: Protecting Your Business & Your Customers

FREE Webinar presented by the Federal Trade Commission & Internal Revenue Service

Tuesday, June 25, 2013

10:00—11:00 am Alaska; 11:00 am—noon Pacific; Noon—1:00 pm Mountain

Speakers from the FTC and IRS will discuss:

- how businesses can avoid being victims of ID theft
- how businesses can protect themselves and their customers
- who to contact/what to do if they suspect they are a victim of ID theft
- ways IRS and FTC are combating ID theft
- where to find ID theft resources on the FTC and IRS websites

Keeping Customers' Information Safe

Hear how to identify data security risks for small businesses that can result in ID thieves getting customer information, and get advice from the Federal Trade Commission on how to protect sensitive information.

Identity Theft & Taxes

Identity theft is growing, and the IRS has taken numerous steps to combat it and protect taxpayers. Learn what to look for and how to report tax related ID theft issues, and where to find information and resources on the IRS website.
